

Tri-Community Anglers Association

news 2018 - 2019

In 1998 a small group of individuals gathered to form what is now a 100+ member Tri-Community Anglers Association. With the help of our members we hope to celebrate many more years to come. Since that day in 1998, Peters Creek has been transformed into a well diversified and stocked trout fishing stream for anglers' need to fish or just relax. So let us keep up the good work for the future!

In 2018, we held two clean-up days: one in April and one in September. We stocked the stream two times during the year. The stockings took place in April and September. The September stocking was for our annual **Kid's Day**, which was held on September 22nd from 1 - 4 p.m. We had 92 dedicated kid's show for a beautiful day on the stream!! All kids received a prize at the end of the event. We need to thank all the volunteers who helped make it happen. Also special thanks to all the following groups and sponsors: *Laurel Hill Trout Farm, Elizabeth Giant Eagle, Floreffe Firehall, Jefferson Hills, Peters Creek Watershed Association, Shad Lure, South Park Township, Vario Family and all those who donated fishing equipment for prizes.*

TCAA Trustee Jim Martin and junior TCAA member CJ Brantner

We also want to give special thanks to:

- Special thanks to Ashley Urlakis, TCAA sponsorship coordinator and donator of a camping basket, as well as the following contributors:

Daniell Corey, *basket*; Penndex Computers, *\$50 Dicks' gift card*; National Polymers Inc., *\$75 check*; Princess Lanes/Priors Tap & Tavern, *T-shirt gift card & bowling pass* and *The Pittsburgh Zoo*, admission 2 tickets.

- And truly special thanks to those donors of money!
